Any cost variations to fees charged at Milestones must be approved by consulting psychologist. If you are experiencing financial hardship, please let reception know and they will discuss with the relevant clinician.

Payment is required at each session, and any written reports will only be released following payment of the relevant fee. ***Please note that reports are charged separately to session fees, and must be paid in full before the report can be released. See our assessment hand-out for a detailed explanation of how assessments are structured at Milestones.***

Private Health Insurance

Some health insurance policies cover counselling and/or assessments depending on the policy. Please check with your insurance company as to what cover you are eligible for.

Medicare Rebates

Under the Medicare Benefits Schedule (Better Access), Medicare rebates are available to clients with an assessed mental disorder. Medicare rebates are accessed with a Mental Health Treatment Plan and referral from a medical practitioner, psychiatrist, or paediatrician. The rebate is limited to 10 sessions per calendar year and only available with a valid referral. A review with the referring doctor is required after the 6th session. ***Please note that a Mental Health Treatment Plan does not cover assessment sessions.***

Cancellation Policy

If for some reason you need to cancel or postpone your appointment, please give at least 2 business days notice – full fees will be charged for late cancellations, and this will need to be paid on or before your next visit. Please make every effort to notify the practice if you are unable to attend an appointment - there are often other clients waiting for appointments, and it would be appreciated if other clients could be given the opportunity to come in. To cancel or rearrange an appointment, please call or email reception (details above).
